## HERO FUND RAISING (HFR)

**Are you running a Disc Dog Event?** Would you like to generate funds to help out with production costs? How about throwing in some custom SuperHero discs as well? Hero Disc USA is proud to announce Hero Fund Raising (HFR). The HFR program not only allows events to generate funds, but can also build excitement by providing custom, event specific, SuperHero discs. It will be our goal to get these fund-raising products in your hands well in advance of your event so you have ample time to sell the products and generate funds. Here's how the HFR program works:

**SuperHero K9 Candy**

Cost per Disc \$5.00

Die Charge: \$60.00

- Each new HFR event must generate **new artwork** and the **date of the event** must be part of the artwork to help preserve the distinctiveness of the HFR program.
